Massage Warehouse present SANCTUARY fundraising
proceeds to the Massage Therapy Foundation

Massage Warehouse, in partnership with Bon Vital, Massage Magazine, Massage Today, Performance Health, Sa-Wan, Soothing Touch, TH Stone, Unique Skincare and Massage Envy presented the Massage Warehouse Sanctuary at the 2008 AMTA National Convention in Phoenix, Arizona.

This is the only program of it's kind, allowing therapists to try and experience new products from the perspective of the client, receive some well deserved pampering, and raise money for the advancement of Massage Therapy Research.

It is with great pleasure we present \$4140.00 to the Massage Therapy Foundation.

As Sanctuary has increased in event attendee popularity, and the benefit of having therapists enjoy products from a clients perspective has become one of the leading ways to sample effectively at trade shows, Massage Warehouse would like to invite more corporate sponsors to join our partnership for raising awareness and funds for massage therapy research.

To date, Sanctuary has presented nearly \$30K to research. And the numbers are growing!

Massage Warehouse would like to thank all of our event sponsors, and especially the open hearted and kind massage therapists and students who donated their time to be a part of the event. This event is FOR YOU! And without you, it would not be possible.

Planned for 2009, Sanctuary is already scheduled for the Florida State Massage Therapy Convention, as well as the National AMTA Convention. Log on to www.massagewarehouse.com regularly to see if Sanctuary will be coming to a town near you!
